SHADOW DANCER

GAME FEATURES

- This very popular action game, with its innovative attack pattern in which a Ninja dog battles side by side with his master, as well as the many impressive scenes which depict the fighting art of the Ninja, combine to offer you a sequence of exciting confrontations never before seen in a conventional game.
- Its 4 rounds totaling 15 stages contain many highly acclaimed new and unique features that have caught the fancy of the game playing public.

KIT CONTENTS

- Color glass cabinet graphics
- Twin push button control rods and master control joystick
- JAMMA harness
- Printed circuit board which is JAMMA compatible
- In-cabinet control panel with volume control, service switch and test switch

THOSE WHO HAVE MASTERED THE MARTIAL ART OF THE "NINJA," JUMP AND FIGHT YOUR WAY TO VICTORY!

When you battle together with his faithful pet dog in the heart of the city, a group of terrorists are attempting every imaginable strategy known to man, including the planting of time bombs throughout the city. Only you and your loyal canine companion can bravely get out to gather up all the explosives faced by the evil gang and annihilate the syndicate that manipulates them.
